

Are you interested in making a difference?

Co-opted Governor Required

Do you have good business/finance skills? Do you have knowledge of HR, health and Safety, IT development or managing premises? Do you want to make a difference to your school community? If so, being a Co-opted governor at **Heather Primary School** could be just the role for you.

Heather is a very popular small school with a wonderfully friendly, caring and supportive staff and an enthusiastic and equally dedicated governing body.

We all work together to ensure that every child in our care is happy and safe and to offer them every opportunity to learn and to succeed during their time with us.

Like all schools, we have high targets to improve standards in education and, as the labour market continually changes, it is vital that our children have the necessary skills to adapt.

Co-opted governors can make the link between the world of work and education and constructively support the success of their local school. You don't have to be an expert in education and we welcome interest from all walks of life to bring different perspectives and views.

These roles are a rewarding and effective way of making a voluntary contribution to the lives of local young people.

If you are interested in our children's future, have energy and enthusiasm, and want to help with the direct the school's future, please send an expression of interest to the school office marked for the attention of the Chair of Governors/Governing Body or give us a call: 01530 260257/(adminoffice@heather.leics.sch.uk)
